

SECOND CALL

Respected Sir/Madam,

It is to inform that **Dr. R.K. Sharma**, Professor (Lib. & Inf. Sc.), Department of Library and Information Science, Government Thakur Ranmat Singh Autonomous College, Rewa (MP) is going to retire on 31 Aug, 2013 on completion of superannuation age of 65. He has served this library fraternity with great dedication and given a great height to the Library and Information Science by his personal touch. He has made life of several students who have persuaded their LISc education under his kinship. I am completely aware with the fact that several years he run this department without having proper teaching staff and tried to sustain the department in appalling time. His several students are now working with library and information science fraternity as a teacher and librarians. He has earned his BLISc from Govt. TRS College, Rewa, and then he has persuaded his MLISc from Delhi University, Delhi and completed his doctorate from Bilaspur University, Bilaspur. He has contributed his expertise with all the Universities of Madhya Pradesh as visiting faculty.

On the occasion of his superannuation from the service we all students (past and present) of TRS College, Rewa and his colleagues would like to dedicate our love and affection in terms of a book, because being a teacher and the students, this will be an apt salutation for retiring **Dr. RK Sharma**.

This is a second call for papers, articles and artwork for inclusion in a memorial volume to be published in honour of Dr. RK Sharma. Please cooperate for a genuine cause. **The volume will be published with an ISBN.**

Please send your paper on ***"Future of Library and Information Science"*** of about 7500-10000 words by 31st December 2012. An abstract should be provided which contains the outline of the main themes/questions, research method and sample of the study. Please make sure that your abstract includes the Title, Name of the author, Affiliation, Complete contact details, email address and a short author's biography.
