

### **Call for Original Research Articles for the Special Issue (IJALIS)**

Original / research Articles are invited for publication in the special issue of an open access, peer-reviewed “International Journal of Advanced Library and Information Science“- ISSN: 2348–5167 (Cloud Publications). The special issue will be published by 20<sup>th</sup> December 2015.

#### **Title of the Special Issue**

**Modern Trends in User Centric Design (UCD) of Library Services and Applications.**

#### **Authors' Guidelines**

- Full details about the focus of the special issue, publication deadlines and article processing fee etc., please visit the journal special issue web page. <http://scientific.cloud-journals.com/index.php/IJALIS/pages/view/CFP-Modern-Trends-in-UCD-Library-Services>
- Since the entire special issue is focused on one specific subject, to avoid overlapping of content, authors are requested to send an abstract of the proposed full paper in 1-2 pages in a week, giving the details of framework of articles containing the objective/s (aim) of the paper, findings, conclusion etc. Authors will receive the communication in 3 days regarding the submission of full paper. **Deadline for full paper submission: 15th September, 2015**
- The length of the article (manuscript) should contain around Words 5000 to 8000
- The author should clearly mention - the Special Issue Title and names of the Guest Editor-in-Chief on the first page of the manuscript.
- Author must submit his/her manuscript in the journal online publishing system using the link <http://scientific.cloud-journals.com/index.php/IJALIS/user/register>. Authors can register, submit and track the status of publication through this link.
- After submission, the manuscript will go through plagiarism check. So Author/s must assure that manuscript is their original contribution and plagiarism free.

For further details and author guidelines for the preparation and submission of the manuscript, please visit <http://www.cloud-journals.com/guidelines-for-authors.html>

#### **Please Note**

\*\*\*

**For the Special Issue the expected quality papers are around 10-20. If the accepted papers are lesser than 10, they will be considered to be moved to the regular section of the journal.**

**Please feel free to contact with the editors of the special issue, in case of further clarifications.**
