Kerala Library Professionals' Organisation (KELPRO), the pioneer organization of its kind in Kerala have instituted in 1993 by group of librarians, information scientists, students, researchers and other academicians. Till then KELPRO has succeeded in fulfilling its main objectives. As publication programme is one of the main objectives of KELPRO it has been published out official journal KELPRO BULLETIN from 1997 onwards and National Library Week- KELPRO Souvenir from 1998 onwards. Our publications have wide circulation covering almost all university libraries, research institutes, colleges and other academic centres. Now we would like to celebrate National Library Week 2015 and decided to bring out KELPRO Souvenir on November 2015.

We solicit your cooperation and support in this regard by contributing an article in the forthcoming National Library Week - KELPRO Souvenir 2015. The article should be submitted to the undersigned in CD format done in MS-Word together with a hardcopy on or before 30.09.2015.
