

PANEL OF CONTESTANTS FOR ELECTION ILA-2019-2022

**Dear Library Professionals,
Greetings!!!!,
Heartiest New Year wishes to all**

I am Prof. Mahender Pratap Singh (Prof. M. P. Singh) and my team with the grace of God and support and blessing of all young and senior library professionals, we have come forward to bring back the democratic pattern of electing ILA body, which was missing due to using the influential pressure tactics and getting the ILA body unopposed elected.

You would agree that in the past three tenures of ILA leadership in the hands of present group the ILA except of organizing a conference has been found failed in performing the other tasks, activities to bring back the glory of ILA for which it was known amongst academic fraternity in India and Abroad. The situation has reached versed to the level that the LIS professionals of all types have lost their interest in ILA which seems to be very serious and alarming situation especially when due to negligent and negative policies of the respective governments are being faced by the LIS Profession. It is therefore very appropriate time to urge upon that the real strength and power of all LIS Professionals who are highly committed devoted and dedicated to come forward and fight collectively against this rotten junk that has almost finished the ILA as a professional body.

Now, it is appropriate time that we all stand together and ensure a newly elected body who is highly committed and sincere to bring back ILA on the wheels of successful representative LIS body before the government and other such like organizations.
